

# FLEX Home Insurance from Orion180

FLEX Home Insurance empowers you to take control of your policy. Customize your coverage, adjust your deductible, and get dependable protection on your terms.

## Modular Coverage Options

Start with basics like fire and lightning, then add optional perils, like tornados, hail, and non-weather water damage.

## Custom Roof Coverage

Choose from Replacement Cost, Actual Cash Value, or Stated Value.

## Deductible Flexibility

Adjust your deductible to save on your premium – work with us to find the right balance of risk and cost.

## Co-Pay Control

Unlock extra savings when you add an optional co-pay. We give you tools to control your costs.

## Orion180: The Clear Choice

### Innovative Solutions

With forward-thinking technology, we bring you powerful solutions, like our smart technology and virtual inspection tool.

### A Trusted Name

Customers Served: More than 485,000  
Assets Protected: More than \$120 billion
